MYRTLE BEACH HIGH SCHOOL ALL-SPORTS BOOSTER CLUB

CORPORATE MEMBERSHIP

2025

Dear Community Member,

Myrtle Beach High School is fortunate to have many fine students who excel in academics as well as in a variety of sports. The MBHS All-Sports Booster Club believes that sporting events are an important part of a well rounded high school experience, not only for the athletes but also for the entire student body. Unfortunately, only a small percentage of the funds necessary to operate the more than 30 competitive sports teams at MBHS are derived from the Horry County School District. Gate receipts and Booster Club donations provide the balance. Our booster club raises money for the benefit of all sports teams in a variety of ways, including the production of the All-Sports Program. This program includes pictures of each varsity and junior varsity team and provides advertisements for area businesses and player ads. As you review your 2024/2025 budget, please include MBHS All-Sports program among your expenditures, as I am sure our entire student body and community will benefit from your generosity.
